LOG FURNITURE

Value-priced Aspen Log Furniture by Mountain Woods Furniture

Rustic Arts Log Furniture is a line of aspen wood creations designed for the bedrooms of our value-minded customers. This budget line of log furniture is handcrafted in the Rocky Mountains, and brings the beauty of nature to ski lodges, log homes, cabins, ranches, and suburban dwellings across the country.

The people who handcraft this line also create our heirloom line, so you can expect the same attention to detail and enjoyment from each piece of Rustic Arts Log Furniture.

For those who prefer a darker finish, all Rustic Arts pieces are available in our Bronze Aspen stain.
